## Great Weather is Here!

We hope everyone is enjoying this beautiful weather that we so desperately deserve. We have definitely experienced some erratic weather patterns this year, and maybe you've been denied some chances to play all the golf you'd have liked, so let's hope we can finish out the golf season on a positive weather streak! It's

been a great year for us, from weddings on the links to the Hallie Invitational, we've had a lot of fun.

Here's to getting out on the links, improving our game, and having time for all the other fun stuff

the summer has to offer. And thanks to all of you for making Lake Hallie Golf the great place that it is!

## Hallie Golf Estates in the Parade of Homes

In all honesty, though we were hopeful, we didn't expect our Twin Homes to be such a huge success in the 2011 Parade of Homes. Not only were we able to showcase a beautiful home, but the event brought many new faces to Lake Hallie Golf.

It certainly wasn't always an easy road to get the first twin home built. We experienced our fair share of delays, as can happen with development in a multi-jurisdictional area. However, it appears that is all behind us and we are excited for the opportunity to move forward with the project.

Did you not get a chance to take a tour of the homes? Go to our website! We have updated the "Twin Homes" page on the website to now include a link to a full 3 minute video of the home. We encourage anyone who is interested to ask questions or schedule a showing with Billy. He can be reached by calling: 715.577.6838 or email: [billy@lakehalliegolf.com](mailto:billy@lakehalliegolf.com).

**John & Jesse are tying the knot!**

**Congratulations to the both of you!**

## Kitchen Korner

NEW to our

Clubhouse Menu

In case you didn't know, we've added some new staff in the kitchen. Jake has been an exceptional addition to Lake Hallie Golf. He has allowed us to expand our menu and truly put a new and delicious spin on what we now offer on the menu. If you haven't looked at the new menus, you should!

We are no longer just an excellent burger and Friday fish fry place! We now offer many exciting and delicious entrees, like fresh homemade pizzas, walleye & bacon wrapped fillets, the wine of the week, and more!

Every Friday we are offering two specialty items. These will continue to be offered, but remember to order yours early, because they are limited and when they are gone they are gone.

Also, beginning on October 8th, we will be serving dinner on Saturday nights. That's right, Saturday night dining at Lake Hallie Golf. We'd appreciate your feedback and hope that you enjoy the food and share your experience with friends and family alike.

And don't forget that we also cater all of our own food for receptions, outings and other parties. The buffet and party menu has unlimited options for any event! Our Rangewood Pavilion is a fantastic venue for weddings, reunions, and any kind of gathering. With restrooms, bar, and option for open-air or enclosed, think of us the next time you have something to celebrate.

## Double Eagles???

That's right, 2 more eagles were born this spring! They can be seen & heard often as you walk the links and are an awesome addition to our membership. There should be a lot of activity as mom and dad work hard getting the young eagles to

grow big and strong. Get out for some golf and come see the fledglings take wing!

## Congratulations!

**Billy Harper & Karen Larsen.**  
They won the Packer/Viking Outing!

## We'll Miss You, AJ!

AJ, our wonderful bartender (who's been at Lake Hallie Golf longer than the owners!), is moving to Arizona. We're so sad to see her go, but very happy and proud for her exciting opportunity. AJ was accepted to Law School and will be moving in October.

We will be throwing a going away party for her on October 1st in our

Rangewood pavilion. Everyone is invited and we will email and post a flyer with all the details in September. Make sure to stop by and wish her all the best!

## Congrats, Josh & Kayla!

Josh and Kayla were married at Lake Hallie Golf this summer and had their reception at the Rangewood Pavilion. It was a beautiful ceremony. We wish

them all the best in their future, and hope they created some wonderful, happy memories to hold on to at their reception.

The picture above is Rangewood Pavilion all prepared and ready for the guests. It was so pretty, we couldn't resist taking a shot!

## Happy Birthday!

Happy Birthday Barb E., Judy K. and Vernie!  
70 years young and looking great!

## Who's Missing?!

It's so obvious maybe you couldn't guess... STEVE CHRISTENSON. As most of you know, Steve became ill this spring and hasn't been able to work all summer. Fortunately he was able to stop by the clubhouse this past week and it was a nice for those of us who got a chance to see him and say hello.

We have printed off a bunch of shirts and hats with "Long drive for Steve" and also recently started a 100 number board for the chance to win a flat screen TV. The proceeds for these will be given to Steve. If you haven't done so, please consider purchasing one of these items for a truly good cause. We wish him all the best and a very speedy recovery!
